Submitter Role Definition

It is the accreditation required to electronically submit and/or retrieve files using H-Link.

Instructions for Completion of this Form

The following provides instructions for the completion of the Application for Submitter Role form. For effective processing by Alberta Health, please ensure accurate completion of all required forms.

A request for submitter role will take a minimum of 15 business days to process.

Section A – Submitter information to be completed by the practitioner or clinic requiring a Submitter role.

Name - For practitioners it is the professional name and for clinics it is the legal name of the company.

Practitioner ID/Organization ID - Identifier assigned by Alberta Health to the practitioner or organization requesting a Submitter Role. This includes Practitioner Identifiers (PRACID) or Organization Stakeholder Identifiers.

Section B – Technical Software Contact Information

Name - It is the name of the software vendor being used to submit claim files.

Section C - Submitter Agreement

Signatory / Undersign - It is the practitioner or representative within a company duly authorized (i.e. practitioner, owner, administrator, etc.) to sign legal documents.

Section D - Alberta Health Approval - Alberta Health use only.

Additional Information

If your Submitter / Software vendor is using hard or soft token for claims submission, the following forms must also be completed:

AHC2208 - Access Administrator Application

AHC2209 - External User ID Application

Note: Under the *Health Information Act*, the Submitter is an affiliate of the Custodian (practitioner or organization named Section A). Custodians are responsible for any access to, collection, use or disclosure of health information by their affiliates. Custodians must ensure that affiliates only have access to the information needed for an authorized purpose under the *Health Information Act* and have appropriate legal arrangements with affiliates including, where appropriate, Information Manager Agreements.

Protected A (when completed)

The information requested on this application is being collected by Alberta Health pursuant to section 20(b) of the *Health Information Act* and section 33(c) of the *Freedom of Information and Protection of Privacy Act* for the sole purpose of creating a Submitter Role. If you have questions regarding the collection of this information, please contact the H-Link Administrator at the address or fax number provided below.
