Dear Addressee:

Thank you for your application for Teleplan Service. We have registered your Vendor Data Centre number as **V0127**. Your Test Payee number is **99609**. Your Vendor Data Centre number should be quoted as a site identifier when contacting Provider Programs or Teleplan Support Centre.

To obtain your user ID, password and initial instructions, please contact the Teleplan Support Centre at 1-866-456-6950 (within BC) or (604) 456-6950 (Vancouver). Press Option 3 followed by Option 2 to reach Teleplan Support.

If you have any concerns regarding electronic submissions, our Teleplan Support Centre would be pleased to assist you.

If you are planning to include the WorkSafeBC (WSBC) Electronic Medical Forms (E-Forms) in your software, please also send an email to cmsitexternal@worksafebc.com. Your email should reference Electronic Medical Forms in the subject and contain your contact information. The WSBC support team will contact you to arrange further testing with WorkSafeBC.

Thank you.
