### ***Receipt Agreement***

**(return by fax, c/o Teleplan Support MSP - fax: 250-405-3592)**

You certify that you are entitled to receive from the Province of British Columbia 'The Perl based Teleplan Reference Code API V1.n software (Software) and related documentation created by IBM for the Province of British Columbia under a Project Agreement (collectively called Software) and agree that:

1. as the Recipient you are authorized to use, reproduce, implement, maintain and modify, the Software and any reproduced or modified copies of the Software;
2. the Software is provided to Recipient without charge and on an "as is" basis without warranty or condition of any kind by IBM and the Province of British Columbia;
3. if Recipient wishes IBM or the Province of British Columbia to provide any support or other services in connection with the Software they will be included in a separate agreement signed by the Recipient and the Province or IBM should the Province or IBM wish to provide such a service; and
4. neither IBM nor the Province of British Columbia has any obligations or liability of any kind whatsoever to Recipient in connection with the Software except as described in any separate agreement signed by the Recipient and IBM or the Recipient and the Province of British Columbia.

AGREED
